Re: Response to Your Self-Query

The enclosed information is released by the National Practitioner Data Bank (NPDB) for restricted use under the provisions of Title IV of Public Law 99-660, the Health Care Quality Improvement Act of 1986, as amended, and Section 1921 of the Social Security Act as well as the Healthcare Integrity and Protection Data Bank (HIPDB) for restricted use under the provisions of Section 1128E of the Social Security Act.

Title IV established the NPDB as an information clearinghouse to collect and release certain information related to malpractice payment history and professional competence or conduct of physicians, dentists, and other licensed health care practitioners. Regulations governing the NPDB are codified at 45 CFR part 60. Responsibility for operating the NPDB resides with the Secretary of the U.S. Department of Health and Human Services (HHS), HRSA, Division of Practitioner Data Banks.

Section 1921 of the Social Security Act, as amended by Section 5(b) of the Medicare and Medicaid Patient and Program Protection Act of 1987, and as amended by the Omnibus Budget Reconciliation Act of 1990, expanded the scope of the NPDB. Section 1921 was enacted to protect program beneficiaries from unfit health care practitioners and health care entities, and to improve the anti-fraud provisions of Federal and State health care programs. This legislation authorizes the NPDB to collect certain adverse State licensure actions, as well as any negative action or finding that a State licensing authority, peer review organization, or private accreditation organization has concluded against a health care practitioner or health care entity. Regulations governing the NPDB are codified at 45 CFR Part 60.

Section 1128E was established by Section 221(a) of Public Law 104-191, the Health Insurance Portability and Accountability Act of 1996, as amended. The statute established the HIPDB to combat fraud and abuse in health insurance and health care delivery and to improve the quality of patient care. The HIPDB serves as a source of final adverse action information on health care practitioners, providers, and suppliers. The HIPDB collects and releases information related to adverse licensure actions; health care-related convictions and judgments; exclusions from Federal and State health care programs; and other adjudicated actions or decisions. Regulations governing the HIPDB are codified at 45 CFR Part 61. Responsibility for operating the HIPDB resides with the Secretary of the U.S. Department of Health and Human Services (HHS), Office of Inspector General, and HRSA, Division of Practitioner Data Banks.

Reports from the NPDB and HIPDB contain limited summary information and should be used in conjunction with information from other sources in granting clinical privileges or making employment affiliation, contracting, or licensure decisions. The NPDB and HIPDB response may contain more than one report on a particular incident, if two or more actions were taken as a result of a single incident (e.g., an adverse licensure action and an exclusion from the Medicare and Medicaid programs). The NPDB and HIPDB is a flagging system and a report may be included for a variety of reasons that do not necessarily reflect adversely on the professional competence or conduct of the subject named in the report.

All information received from the NPDB and HIPDB is considered confidential and must be used solely for the purpose for which it was disclosed. ANY PERSON WHO VIOLATES THE CONFIDENTIALITY PROVISIONS AS SPECIFIED IN TITLE IV OF PUBLIC LAW 99-660, AS AMENDED, IS SUBJECT TO A CIVIL MONEY PENALTY OF UP TO \$11,000 FOR EACH VIOLATION. Subjects of reports who obtain information about themselves from the NPDB and/or HIPDB are permitted to share that information with anyone they choose.

If you require additional assistance, visit the NPDB-HIPDB web site (<http://www.npdb-hipdb.hrsa.gov>) or contact the NPDB-HIPDB Customer Service Center at 1-800-767-6732 (TDD: 1-703-802-9395). Information Specialists are available to speak with you weekdays from 8:30 a.m. to 6:00 p.m. (5:30 p.m. on Fridays) Eastern Time. The NPDB-HIPDB Customer Service Center is closed on all Federal holidays.
